L'Agenzia Agency

Un team di professionisti, architetti e lighting designer, con un'importante esperienza nel settore, in grado di offrire progetti e soluzioni di illuminazione e arredamento ai propri dealer. Soluzioni con tecnologie innovative e complementi esclusivi, grazie ad un bouquet di brand italiani ed internazionali di indiscusso prestigio.

L'Agenzia opera con un proprio ufficio tecnico, in grado di rispondere con puntualità a tutte le esigenze progettuali dei propri rivenditori.

A team of professionals, architects and lighting designers with a significant experience in the field, able to offer lighting and furniture projects to their own leaders. Solutions with innovative technologies and unique accessories, thanks to a "bouquet" of italian and international brands of undisputed prestige.

The agency works with its own technical department, capable of responding promptly to all the design requirements of its dealers.
